

# The Ironbark Pavilion

Wedding Packages

Hi there,

Thanks so much for reaching out about hosting your micro wedding or elopement with us at Tuckers Lane Boutique Accommodation. We are very excited to offer a number of package options for you and your guests that are fully customisable. But firstly, let me introduce ourselves and a little about our property if we have not met.

We are Carolyn & Paul Shields, The Owner / Operators of Tuckers Lane Boutique Accommodation and Tuckers Lane Custom Furniture. After purchasing our property in 2016 and relocating from Sydney out of corporate jobs setting out on our treechange we have completed the vision & design through to build of our accommodation and furniture business now incorporating our beautiful Ironbark Pavilion.

**Our accommodation** - is adults only and opened in January 2020 (yep, just 9 weeks before that dam C word). Whilst it's been one hell of a ride, in our first few years since opening have hosted a few small, private and intimate weddings and group functions to assess what worked best for us and our guests. We have always planned to host weddings however was a question of the 'what and how' until the concept of the Ironbark Pavilion was born. Now here we are in late 2023 with our ceremony only to full package options and are hoping to entice you to come get hitched with us or share your special event. Here's what's on offer.

**Our Property** - 43 beautiful acres of land with 2 open dams that can be used for kayaking or fishing, landscaped grounds, plenty of scenic options for photos including large gum forests, a number of handmade timber bridges (built onsite by us) and let's not forget an abundance of wildlife and stunning sunsets.

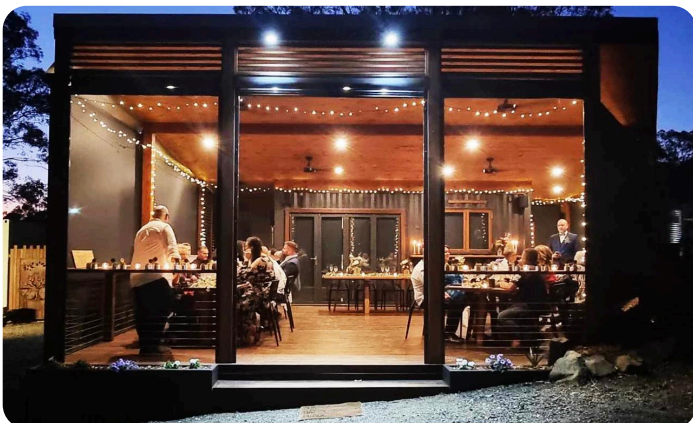

**Our Cabins** - We have 5 self-contained cabins (3 x 1BR & 2 x 2BR sleeping up to 14 guests) that are meticulously fashioned using recycled shipping containers with their own private outdoor spa. They are equipped with everything you will need during your stay including a private outdoor BBQ deck, all linen and cooking equipment, a medium fridge to keep the beer cold and lots of complimentary inclusions.

**The Ironbark Pavilion** - Walk across our solid timber bridge, down our 35-metre curved aisle to our beautiful purpose-built space with the backdrop of our large dam to cater for a max of 30 guests for your ceremony. The main features of the intricate roof structure were hand built by Paul and our son Cooper in our onsite workshop. The beautiful timber is over 100-year-old Ironbark that was once part of the original Wingham Library in Northern NSW. With our added addition of our rustic bar for refreshments located conveniently in the open space that is enveloped by a variety of Australian Gums & Ironbark Trees the natural environment is the perfect space for your intimate ceremony, photography and short gathering afterwards until you enter your reception if you're planning to have one.

**Our Entertainer** - This beautiful expansive outdoor timber deck overlooking our grounds is furnished with solid timber tables, modern and comfy chairs, our woodfire pizza oven and is completely enclosable with weatherproof screens in the event of extreme weather. The options for styling here are endless and it's a real crowd pleaser with a point of difference. Be it the rustic and elegant vibe, native or soft and pretty it's a beautiful space with mood lighting, outdoor fans and stunning scenery perfect in winter or summer to enjoy your afternoon or evening.

**Our Wedding Suite (multipurpose space)** - Prior to offering weddings this area was once host to our office space however has recently been repurposed and fitted out as a dedicated space for our wedding families to use for hair & make up, getting ready and has been purpose built to create that beautiful chill space with your friends and family on the day of. We also use this space for our massage and beauty therapists if arranged and it transforms into the perfect private day spa space for you and your guests if staying onsite.

**Our Packages & Vendors** - We understand everyone's vision and budget for their special day is very different. Whilst we are an adults only venue we may allow children to attend if they are an immediate part of the wedding party. You can BYO only and we will provide the RSA staff. We can host a maximum of 30 guests for any occasion and have put our packages together as a starting point to help you work through what best fits.

You may just be looking for a venue to host an elopement or small get together for your ceremony and get a few pics around our grounds; or want us to host a fully catered option with every bell and whistle you can think of including a horse & carriage or a helicopter entrance. In any case, all packages are fully customisable in collaboration with 100% locally owned and operated businesses that we have either worked with, would recommend and know are going to provide the level of service we want you to experience.

To bring your day together we collaborate with many vendors including florists, private caterers, hire companies, RSA staff, private musicians, celebrants, photographers, videographers hairdressors, makeup artists and transport. You can select your own vendors however, we will share our comprehensive list of recommendations including some options for overflow accommodation. Once we have a good understanding of your ideal package, we will plan and manage your special day with you from our first phone call to looking after you personally on the day; as well as making sure it's everything you hoped for. Together with our Team, we manage full setup and coordination with all vendors and guests and are passionate about doing everything we can to assist our couples create a memorable lifetime experience.

Regardless of what package we come up with, every couple will receive a complimentary night in one of our cabins as well as having exclusive use of our property during your time with us. Ideally, we prefer you book out our cabins too however this is not a requirement; although we do think it's the best option to maximise your special occasion and our property.

Once you've digested all this information and viewed our packages, please do not hesitate to contact us anytime to understand more or organise a site visit to come chat. We can't promise to please everyone but we'll give it 200% of our time and effort to do our best...

Thank you so much for reaching out and we hope our packages are what you're looking for. We look forward to hearing from you soon and wish you all the best no matter what you decide.

Regards  
Carolyn & Paul
